AUTOBIOGRAPHY OF BERTHA DUDDE.

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creator of Heaven and Earth."**

Then came doubt,did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

Last Judgment... Act of Divine Love and Mercy...

Last Judgment....

Listen to Me when I speak to you humans through the mouth of a servant: **An inevitable judgment is about to happen to you**. Nothing can avert this judgment from you anymore, for the time is fulfilled, a period of Salvation has expired and a new one shall start again, so that higher development of the spirits will be able to continue, since it has considerably slowed down due the human being's free will, who is no longer aware of his real purpose and therefore does nothing to further his complete maturation on earth, who even frequently prevents the progress of the spiritual substance bound within matter because he is spiritually utterly unenlightened. You humans, pay attention to the call from above: **The last Judgment is about to happen....** Your lack of belief will not halt it, for it was planned by My love and wisdom from the start, firstly, in order to help the still bound spiritual substance to achieve freedom one day, and for another, in order to place the more liberated spirit, the human being, into a state he has created for himself through his will.... Freedom or renewed banishment, blissful activity in the spiritual kingdom or languishing in the matter he himself desired during his life on earth. **You humans, listen to Me and believe Me, you are approaching the end....** I already announced the end to you long in advance so that you could prepare yourselves. But now the time has come when My announcements will be fulfilled, now the day comes ever closer which will be the last day on this earth for all of you.... the day, when the external shape of the old earth will be completely changed, which means destruction and annihilation of every work of creation on it.

You humans know of this, because the prophecies about the end of the world did not remain concealed from you, yet you never want to associate this with your time, you never believe yourselves to be affected by it, until the day takes you by surprise. But I don't want you to be taken unawares and experience this day entirely unprepared.... And thus I keep giving you the information from above time and again, I inform you through a human being's spirit what is about to happen to you. I would tell you far more, but if you don't believe **this** then more knowledge will not benefit you either, because you would only misuse it for worldly gain and this would not help your soul. Nevertheless, you should at least know that you can avert the worst from yourselves if you appeal to Me for help. Even if you call upon Me at the last minute you will still receive help, although in a different way than you expect. I will send My angels to fetch those who speak My name with complete confidence that they will be helped, yet I will **not** thwart My eternal plan of Salvation.... it will proceed as it is proclaimed in Word and Scripture.... The last Judgment will be the end of this earth, the goats will be separated from the sheep, the realm of the earth will receive all that pertains to Satan and I, as good shepherd, will gather My sheep and lead them to green pastures, the earth will be desolate and bare, without any life whatsoever.... it will wait for the working of My love and then new creations will emerge again which will reshape it into the paradise of Eden once more.... a new earth will arise which will be inhabited by a happy human generation, and all hardship will have ceased for **those** people who proved their love and loyalty to Me in the last days before the end.... Amen

'Judging' the souls at the end....

The hour of reckoning will come, the hour when every person will have to justify himself before his Judge.... For order will have to be restored again sooner or later and everyone who has transgressed this eternal order will have to be answerable.... The sentence will be passed in accordance with justice.... Every soul will experience the fate it has prepared for itself; the spiritual essence, which has taken the path through the creations, will be moved to where it belongs in relation to its degree of maturity.... the old creation will be dissolved, i.e. all forms will be reshaped into different kinds of works of creation, and the unredeemed spiritual substance will be placed into these forms either to re-start or to continue the path of salvation, depending on its degree of maturity. At present you humans still do as you want and please, and you are not prevented from doing so, irrespective of how God-opposing your actions are.... But the end will come soon, and you will no longer be able to do as you want, because the time will have passed when you were able to work for your soul's salvation. For you will not have used the time in accordance with God's will but strengthened your soul's cover even more and thereby will have prepared your own fate by becoming increasingly enslaved by matter, and thus you will become matter again yourselves, which you had already long overcome. Yet the law of eternal order will have to be fulfilled again one day. Every spiritual essence, which lived on earth as a human being, will have to receive new forms, since higher development has to continue where it was interrupted.... And the spiritual essence which had failed in its embodiment as a human being has to be given a new opportunity to integrate itself in the process of return.... This could indeed be called an extremely harsh judgement but it only ever corresponds to the human being's own free will, which he had misused on earth.... with the result that his soul will gain banishment into matter, it will be dissolved again and will have to take the infinitely long path through the creations until it once again enters the stage of a human being....

One day it will achieve the final goal and leave every external shape behind, but it extends or shortens its own time until it can finally enter the kingdom of light in a redeemed state. And although God is inconceivably merciful and patient and in His love constantly tries to encourage people to make the right decision of will.... one day the time will come to an end and then His righteousness will come to the fore, and He will re-establish the old order which, however, will also signify a 'judgement of the soul'.... a transfer into the external form which corresponds to its state of maturity.... And, at the same time, this 'judgment' is the end of an earth- or salvation-period.... It will necessitate a destruction of all works of creation on earth which shelter unredeemed spiritual substance that travels along its process of development in a state of compulsion, as well as people who did not use their earthly existence to progress in their development. They, too, will be 'judged'.... that is, according to their spiritual maturity they will be placed into hard matter again.... You humans are now facing the end of this old earth, whether this seems credible to you or not.... Time and again your attention will be drawn to this fact in order to improve yourselves before the event and to enter the law of eternal order, which only requires a life of love, for love is a divine principle which you, too, as His living creations, will have to acquire if divine order is to be observed.

You are constantly admonished by seers and prophets, who proclaim this near end to you, to consider your real purpose of earthly life, so that the end will not catch you unawares and you will have to step before God's judgment seat laden with sin if you have done nothing to fully mature in the final form.... as a human being, even if you are not yet released from your original sin by having taken this guilt under the cross and prayed to Jesus Christ for redemption from it.... Only he can take all guilt from you, and then you can step before God's judgment seat free of guilt, and you will not have to fear the Last Judgment, then you will be able to exchange your stay on earth with the spiritual kingdom, which is your true home.... You will be able to enter the kingdom of the blissful spirits and neither have to fear the end of the old earth nor new banishment, for the eternal God is not a strict but a righteous Judge, Who will give to you all in accordance with your own will....Amen

Last Judgment.... Act of love and righteousness....

It is not just My righteousness alone which demands a recompense and therefore imposes the last Judgment upon the human race.... it is far more determined by My love which foresees its inevitable descent into the abyss and wants to put a stop to it. For even if the earth remained in its old form, even if I delayed the Judgment.... it would only damage people's souls which would not benefit thereby but enter into a darkness that would be impenetrable for an infinitely long time. The last Judgment on this earth is an act of love by Me too.... in My eyes this act is people's only salvation if I don't want to leave them entirely at the mercy of their destiny, i.e., to My adversary. It is, in the true sense of the word, a rescue mission which **one day** you will certainly understand but at your present low spiritual level do not appreciate. The last Judgment and the disintegration of this earth are, in fact, far more determined by My **love** than by My righteousness.... although this also will have to emerge so as to establish order again, since this is totally disrespected and has to lead to greatest chaos. The individual person can certainly still restore his own order again; he can still become aware of his task and his purpose and strive to live accordingly.... and the last Judgment will not affect him so much that he would have to dread it; for him, too, the last Judgment will only be a demonstration of love because he will be transferred into another life.... be it on earth or in the spiritual kingdom.... a life which will make him happy. And in order to still achieve this with individual people I make it known time and again what the earth and its inhabitants will have to expect.... and good for him who takes these indications seriously and rearranges his life; good for him who will make the effort to live in divine order.... For he will also understand My last rescue operation and regard it as an act of love, since as a result of his life he will also gain the understanding for all events which will take place due to My will and My might.

Only I know the result of an utterly godless way of life, and this is why I must intervene, because My love wants to rescue everyone or provide them with the possibility to free themselves from Satan's control, which can only happen if I bind him Myself.... by putting an end to his activity.... The fact that innumerable people will lose their lives when the last Judgment on earth occurs may well seem cruel to you humans; but it is only an enforced interruption of that which will inevitably lead to death.... so that the souls will at least have the **possibility** to come back to life again one day.... while it is Satan's goal to keep you **forever** in his possession. My **love**, therefore, is the **reason** for the end of this earth and the destruction of all created beings thereon, and My righteousness will then place the spiritual substances into external forms which correspond to their conduct on earth.... I will put everything right again.... in accordance with My eternal order and will give all spiritual beings the external form they deserve. Only when you humans know the meaning and purpose of earthly life and your task will you find My reign and activity comprehensible, for there is more at stake than your physical life, it concerns the whole of eternity, it concerns the life of the soul for which spiritual death is the most appalling state. And I want to protect it from this death and therefore have to use means which make you doubt My love and yet are only based on My love. I cannot force you into another way of life, **I can only admonish and warn you through My Word, which comes as a direct address to earth, and thus all people are being addressed by Me through the mouth of a servant devoted to Me....** I can only draw your attention to the consequences of a wrong way of life and with Words of love try to entice you to enter the right path.... If, however, all these reproaches are in vain, My **sentencing** Fatherly hand will have to intervene in order to protect you from the worst.... For order must be restored again on earth, so that it will become a place of education for the spiritual beings once more, so that the souls can fully mature according to their destination.... Amen

B.D. 5983

Last Judgment is an act of divine love....

The Last Judgment also has to be considered an expression of God's love, for this, too, is based on the continued development of souls which had failed their last test of earthly life and which have to be placed into a new developing process in order to reach the final goal one day. Hence the Last Judgment is, in a manner of speaking, a finalising rearrangement of what had become disorderly.... it is for judging and integrating it into the various forms which correspond to the soul's degree of maturity.... it is the conclusion of one developmental period and the beginning of a new one in line with My plan of eternity which is based on profound wisdom and love. Even a **judging** God remains a God of love, because My justice is only able to take effect as My love deems beneficial for the soul and yet compensates the wrong thoughts and conduct of people who become subject to this judgment. Even the greatest sin will somehow have to be atoned if it hasn't been handed over to the One Who offered Himself as a sacrifice of atonement.... A balance has to be created in order to diminish this great guilt, and precisely this balance is guaranteed by the Judgment.... by placing the soul, having become sinful, into a situation where it **has to** reduce this guilt, since it had not voluntarily accepted the gift of atonement....

The Last Judgment is by no means an act of divine wrath but just an act of love which also expresses My justice.... since this cannot be excluded from a supremely perfect Being...

B.D. 7482, 20.12.1959

God's love and justice....

You need never fear Me as a heartless Judge Who mercilessly condemns you even if you deserved it. Although My justice must manifest itself with every judgment, My love will nevertheless have a mitigating say and never pitilessly condemn you because it cannot help itself but to forgive, to rectify and to place a healing hand on wounds a person has inflicted upon himself through his sins. For the soul has caused all calamities, all pain, all hardship and suffering itself, and it is not that I have judged it because of that, but it has condemned itself of its own free will, it has created the state itself it now finds itself in. And My justice prohibits Me from lifting it out of this self-created appalling situation if it does not desire it for the sake of Jesus Christ.... It is certainly condemned but it has chosen its own condemnation It should always be recognised that I Am not a 'punishing' God Who thus imposes such punishments upon the sinner as atonement for his sins, but that this state of punishment was voluntarily striven for and entered into by the sinner and that I, on account of My justice, cannot give him a better fate than the one he has chosen for himself of his own free will. I take pity on the hardship such sinful souls find themselves in and My love would truly like to create a better fate for them, yet once again it is a matter of free will, which neither My love nor My justice will infringe upon.... The soul itself must want to escape its hardship and it must.... because it is too weak on its own to accomplish its will.... call upon Jesus Christ for strength and help.... This is the only path the soul can be shown, then My mercy will manifest itself and, for the sake of Jesus Christ, all sins will be forgiven. If, therefore, a last 'Judgment' is spoken of, it should not be understood as an act of punishment by Me, which might question My mercy or make My infinite love appear doubtful.... Rather, it should be understood as establishing the order, as straightening-out the wrongly directed state in which humanity in particular but also all bound spirits find themselves in during the last days, when people, through My adversary's influence, run riot and live in a completely God-opposing way.... Then My merciful love will intervene again and put everything right.... but it cannot provide the soul, which has failed as a human being, with a different fate from the one that it has voluntarily aspired to. This is indeed a judgment but not one based on My wrath, instead I banish the spirits back into a physical shell with profound compassion, because **justice** prevents Me from providing these spirits with a blissful fate.... Yet one day this fate will be theirs too, one day free will shall also make these spiritual beings inclined towards Me, and then I will be able to seize them and permeate them with My love without it being rejected.... For although My love is infinite.... justice is also part of My Nature, and this will come to the fore when the time is fulfilled.... Amen

... I could certainly let each person feel My righteousness separately, I could more or less punish every sinner immediately.... but this would not correspond to My wisdom, and in that case My love would hardly be recognisable. For I Am exceptionally long-suffering and patient and postpone a judgment, like the one at the end of a developmental period, for as long as possible, in order to still gain people for Myself beforehand.... And I place My protective hand over the unrighteous and wicked, because I wish to defeat them with My love and not be feared by them as a punishing God.... But once the point in time has arrived when I restore order, because there is no further hope of a voluntary return to Me, My love seemingly has to withdraw and yet, it alone is the driving force....

My love brings a satanic situation to an end and prevents further destructive activity by My adversary.... I rescue souls from falling into the deepest abyss.... I constrain them within solid matter again and thus place them into the developmental process once more.... a judgment which yet again only intends **salvation** and not everlasting **death**.... and which therefore indeed even more demonstrates My love for everything I have created.... for everything that is dead and shall attain eternal life.... Amen

End of one period of Salvation and start of a new one...

B.D. 5278

End of the period of Salvation.... God's plan of Salvation....

I have set a goal for you and granted you humans a period of time in which you certainly could have reached this goal. And even now it is still possible for you to attain this goal if you genuinely wanted to do so. Yet the limit given to you has passed, only a short time separates you from the end, and anyone who hasn't reached the goal by then will have squandered his spiritual life, he will have forfeited it because he didn't want to live, and his fate will be death.... One period of Salvation comes to an end and a new one begins; yet the spiritual essence which is presently embodied on earth as a human being has definitely reached the end, and if it fails it must start the cycle of evolution once again, so that My law of eternal order shall be fulfilled. The deadline has expired, you are just minutes away from the hour when the old earth will be destroyed, when its creations will be disintegrated in order to arise anew, in order to provide again new opportunities for the development of the still immature spiritual beings. And although I repeatedly inform you of this hour.... it bypasses your ears without leaving any impression, you don't believe it.... Yet your unbelief will not deter My eternal plan, it just induces Me to send you ever more distinct signs to make a near end seem credible to you.

Your unbelief causes Me to inflict extremely painful wounds on you in order to make you consider what your life is about and how you have used it. You cannot be spared hours of adversity and misery since they can, after all, still contribute towards leading you to the goal, which you really can still reach if you have the serious will to do so. I will noticeably help you and give you strength, yet your heart must appeal to Me for help to demonstrate your will. I can and will do anything to make you happy yet I cannot change My eternal plan of Salvation, it has to be carried out in accordance with the law of eternal order and within the preordained time, which is now coming to an end. Humanity's spiritual state had already reached its lowest point some time ago which necessitated the end of the earth, yet I still wait for the sake of the few who are weak and undecided, as I can still win them over before the end of the deadline. But then all options will have been exhausted, then everyone will have to accept the consequences of their attitude towards Me, and Judgment will categorically take place, and everyone will receive the fate he deserves.... eternal bliss or damnation.... life in paradise on the new earth or renewed banishment into the creations for an infinitely long time again.... Amen

Cycle.... Concluding a period of Salvation....

The circle is completed.... It is the end of a period of Salvation which began a long time ago and can be spoken of as a very significant phase of Salvation because I Myself descended to Earth in order to accomplish the act of Salvation on behalf of all fallen spiritual beings. And **after** this act of Salvation the **first** fallen spirits were able to return, they acknowledged Me and will remain with Me forever because they voluntarily shaped themselves back into love.... But now a new period of Salvation will begin.... And this first necessitates the dissolution of all material creations on, in and above the earth and a total transformation of the earth's surface. And once again a judgment of spiritual beings in every degree of maturity will take place, new creations will arise which will receive the spiritual substances according to their degree of maturity and will help them to develop further; and a new human generation will come forth from those people who remained faithful to Me, who will survive the final battle of faith on this earth and thus pass the last great test of will.... And these people will form the root of the new human generation which will occupy the new earth.... whereas everything that is still utterly opposed to Me will be banished in solid matter to start its higher development again.... An earthly period comes to an end, and that means that one cycle has been completed again.... that many souls will have left their external cover for good and finally have returned into the spiritual kingdom again.... that they thus found complete redemption through Jesus Christ and then comply with their purpose in the spiritual kingdom, that they continue to ascend ever higher because there is no limit in the kingdom of light and because all My children will eternally strive towards Me, since it increases their happiness to always find fulfilment of their love and never to lessen their desire for My love.... And likewise the process of returning the spirits on earth will continue.... For an infinitely long time and countless periods of development will still have to pass by until all spiritual beings are redeemed.... I say this to you, My servants on Earth, because I can only initiate a few people into My plan of Salvation, for only a few can grasp this reign and activity of Mine in order to guide the fallen spiritual beings back to bliss....

The connections from Earth to Me are established ever less often, a living faith in Me is ever more infrequently to be found which is the requirement to convey this knowledge to people. However, wherever possible I will constantly influence people through the mouth of those who offer their active service to Me. They find little credence with their fellow human beings and yet I reveal My plan of Salvation through My messengers to all people who want to accept My revelations. And I inform them of the fact that once again one phase of Salvation is coming to conclusion and a new one will begin. And this will be an extremely painful process for those who do not believe, who have handed themselves over to My adversary, who did not find redemption during this period of Salvation and who therefore will have to go through the process of development once more.... I would like to protect everyone from this, I would like to lead them back and let them enter the spheres of the blissful spirits but I cannot let My love work contrary to law.... People must enter the eternal order during the final stage of their development, only then will I be able to accept them again in My kingdom, which they once left of their own free will. This period of development, during which I Myself lived on earth in the human being Jesus, has been extremely beneficial.... All people would have been able to release themselves from My adversary by merely availing themselves of the blessings of My act of Salvation, for My act of Salvation was accomplished for all people past, present and future. And My spirit will also convey this knowledge again to the people on the new earth.... For My immeasurable love wants to help all fallen beings to ascend, and as soon as a person allows himself to be guided by Me, as soon as he merely surrenders his opposition and **acknowledges Me Myself in Jesus Christ** he will also have started on the path of return to Me, which the man Jesus walked as a good example to him.... And then he will also enter the law of eternal order and the process across the earth will one day be over for him as well, he will step out of his physical cover and pass into My kingdom of light and beatitude.... Amen

End of a period of Salvation and start of a new one....

There will be no spiritual change during this period of Salvation anymore. People have lost faith in Me, and even if My Gospel is spread throughout the world there will only ever be a few who accept it; yet increasingly more will fall away whose belief was just a conventional faith and who only need an incentive in order to cast it completely away when a decision of faith is demanded of them. Only a small flock of people have a living faith, who establish the contact with Me in their hearts.... only a few people associate with Me like children associate with their father, who therefore also always experience My evident help when they encounter difficulties and who thus will also passionately endorse Me because they are inwardly convinced, thus have a living faith. And this number will not get much larger.... The battle of faith, however, which will be waged everywhere and the beginnings of which are already noticeable everywhere, will merely reduce the number of the faithful, for then everyone will be willing to surrender Me for the sake of earthly gain, and they won't muster the courage to fight for Me because they are lacking living faith. And thus the earth will ultimately no longer fulfil its purpose of serving the souls to attain spiritual maturity.... Most people's earthly progress is in vain because it does not lead to the souls' maturity, which is the reason why they live on earth.... Nevertheless, the spiritual beings' development has to continue.... And therefore the earth will have to be restructured so that it will be able to be and remain a place of education for the spirits, as it is intended to be....

Consequently, this period of Salvation will come to an end and a new era will start. New creations will shelter the spiritual substances whose development was prevented.... which necessitates a dissolution of these creations so that the bound spiritual substances can be set free and placed into new forms again....

B.D. 4353, 25.6.1948

Disintegration.... Work of destruction.... Renewed banishment....

Spiritual progress can never be achieved in a world of hatred and unkindness, and therefore the earth is failing in its real purpose of helping the spiritual substances embodied in it to attain higher development. Therefore the time has come for the manifold creations, which are intended to accomplish this purpose, to be dissolved and to release the spirits for the purpose of receiving new forms. For humanity, however, this disintegration signifies a fall from its already achieved advancement into the deepest abyss; it signifies a return into hardest matter and a repeated process through all works of creation on the new earth. But due to their lack of love people are completely ignorant and have neither time nor will to dwell on what lies ahead of them if the information is presented to them. They do not concern themselves with spiritual problems and this, too, is a sign that the time of the disintegration of the old earth has come. They are not open to any relevant clarification, they only live for their earthly interests and refuse all spiritual conversations. Consequently, admonitions and warnings are fruitless.

If, however, there is no further likelihood for a spiritual change to take place on earth, if a spiritual forward motion is completely out of the question, then only a complete decline can be expected; but God will not allow this to happen, instead He will transform the earth prior to it. This certainly involves a complete work of destruction yet it is intended in the plan of eternity in order to provide the completely degenerated human race, that is, the bound souls within, with the possibility of higher development again, because God's infinite love will never let anything fall completely, even if it is still totally opposed to Him. Earth's final destruction is therefore an act of supreme compassion at the same time, yet it will come to pass without fail in order to prevent an even further decline of people who, due to their heartlessness, have already severed every connection with God and widened the gulf between Him and themselves and thus lack all strength for higher development. And this is why God will come to their assistance, He will deprive them of their external cover and confine the spirits again, so that the infinitely wide chasm, which was established by people's free will, shall become less again in the state of compulsion, so that the spiritual substance will come closer to God again in the constrained state and once again receive the opportunity to use its freedom of will correctly in order to attain God, if only after an infinitely long time.... Amen

And so people, too, ought to take an impending end into account and those who failed on earth will have to be banished into creation again, into the hard matter on the new earth. And if people cherish the illusion that humanity's **spiritual** attitude might still change on this earth, that they will come to believe in Jesus Christ and His act of Salvation and in this belief live a different way of life with spiritually orientated intentions and aspirations, then it will remain the wishful thinking of a few people which will never materialise. For My adversary is in authority which people themselves had granted him; and his activity will so get out of control that he will have to be bound.... and for that reason alone an end will have to come, so that his activity will be stopped or no-one would be able to become blessed anymore.... And this time has been referred to ever since the beginning of this period of Salvation; and no matter how far away these announcements seem to you humans.... one day even the future will become the present, and that has to be said to you time and again. This is why a spiritual change must come, however, not on this earth anymore but in a world of peace and happiness.... A new developmental era will start with spiritually highly evolved human beings, whom I will remove from this earth due to their loyalty of faith and lead back to the new earth again.... And then a spiritual change will have taken place and people will live in peace and harmony again.... in constant contact with Me, their God and Creator, and the blessed beings in My kingdom. For then love will reign again on Earth, My adversary will no longer be capable of influencing the people on the new earth, for he will be bound for an infinitely long time.... until people themselves loosen his chains and enable him to exert his influences once more. But prior to that there will be a long time of peace and happiness.... Amen

Spiritual turning point is not a reversal but renewed banishment....

Development for the better is no longer possible on this earth, people will not even remain on the same level but descend constantly, they live beyond all bounds and distance themselves from Me to such an extent that they live their earthly life entirely without strength, hence it is totally pointless. And therefore a substantial change is intended to put an end to humanity's spiritual decline and to pave a new path which will lead to an ascent again. You humans are unaware of My plan of Salvation apart from the few to whom I reveal Myself. But you would be able to take notice of it were you at all interested in the issue as to what forms the basis of all events around you. Yet your questions are different, the questions you are concerned with only relate to earthly advantages, to ways and means of procuring a wealth of earthly goods. You only increase your knowledge in this field and ignore all spiritual matters. But therefore you will also be taken by surprise by the forthcoming events and will be unable to find an explanation if you intellectually search for it. However, the knowledge of My plan of Salvation would explain everything to you, the knowledge of My eternal plan of Salvation would let you look at everything from a different perspective, and it would awaken your sense of responsibility because your soul's fate after death is determined by your way of life. Then a small improvement could still be achieved, although only a few will take the explanation seriously which is offered to them by knowledgeable people. And therefore I will bring one period of development to a conclusion and let a new one begin.

This should certainly be looked upon as a spiritual turning point yet not as a reversal or a sudden advancement of the souls' development, instead it is far more a total failure on the one hand and the creation of new possibilities for development on the other. For that which failed during the old period of development will start its process of development again in the deepest abyss; hence **it will not continue an interrupted process of purification**. This is why the time before the end of this epoch is so extremely significant since it will, after all, shape the fate of countless souls as to whether they live or die. A continued existence of this earth would by no means benefit these souls, because they severed the bond with Me long ago, thus they are entirely without faith and in this state will not make use of the blessings either which could ensure their spiritual progress. Until the end every effort will still be made to save the individual souls, that is, to draw their attention to their purpose, yet they cannot be supported against their will and this will only strive to descend, it only applies to matter which shelters the lowest developed spiritual substances. And I always take the soul's will into account, **it shall receive what it desires....** and therefore hard matter will become the external cover of that which had already reached the last stage of development on earth.... the souls of the furthest distanced living creations will be banished again in the creations of the new earth. And time and again this dreadful fate shall be presented to people, time and again they shall be given the information of My eternal plan of Salvation, because it is the time of the end when every person should become aware of the great responsibility he bears for his soul, because he can still use the last days for the salvation of his soul if he has the will to do so. He should know that an end will come and what this end means for his soul, he should know that there will be no postponement but that it will come true what seers and prophets have announced since the beginning of this epoch of Salvation, that the end will come without fail and with it the last Judgment, which will decide over life and death, over light and darkness, over reward and punishment.... over hell and damnation and paradise and beatitude.... Amen

Separation of the spirits.... The end of an earthly period....

The path as a human being through earthly life is the once fallen original spirit's last phase of development on this earth.... it is the conclusion of the time this spirit was granted for its higher development, it is the conclusion of the period of time during which the original spirit is able to attain perfection again if it makes good use of the last phase, the stage as a human being, if it turns its will in the right direction during this time. Thus it is able to achieve its goal of entering the kingdom, from whence it originated, in a completely spiritualised state again; it is able to return to the light, to the Primary Source of eternity, to the Father, from Whom it formerly emerged as His living creation. But although this earthly life is short, compared to the infinitely long period of time of preliminary development, the great risk nevertheless exists that the human being will **misuse** his will again, that he will not strive to attain his perfection but descend into the abyss again.... And since this is his free will he cannot be prevented from doing so, just as he, vice versa, cannot be forced to turn his will **correctly**. Hence it is a matter of testing his will for the second time, and he has to pass this test as a human being or his course through earthly life will have been unsuccessful.... which might also result in a renewed banishment into matter if he is not granted the last grace to gradually ascend in the kingdom of the beyond under far more difficult conditions than on earth. This possibility still exists for as long as the earthly period has not yet been concluded because the realm of the beyond is still open to the souls which depart from this earth in an immature state. Yet the gates to the beyond will close as soon as this period of Salvation comes to an end and a new one starts again....

B.D. 7170, 21.7.1958

Explanation of the many cases of death: Closing the gates to the beyond...

The gates through which the souls entered the kingdom of the beyond will close again for a long time. This can only be comprehensible to those who are aware of the fact that a period of Salvation comes to an end, who know that it will end with the renewed banishment of the souls which failed their test of will as humans, which descended again into the abyss and which therefore will have to repeat the infinitely long process of development through the creations of the new earth. Until this end arrives the gates into the kingdom of the beyond will remain open, that is, all those who depart from earth until then will still be accepted in the kingdom of the beyond, in the realm of the spirits, and they still have a short period of time at their disposal to work their way up from darkness to light, supported by much help so that they won't still descend into the abyss and have to experience the same fate: to be banished into hard matter. It is therefore a huge blessing if spiritually immature people are recalled earlier, if they don't stay alive until the end of this earth for they will then have almost no possibility to find God and to call upon Him for mercy anymore. And many people are currently on earth who are simply too indifferent to endeavour towards psychological maturity.... but who cannot be numbered in the satanic camp either yet who are in utmost danger of still falling prey to him before the end. And God still wants to give these souls an opportunity to raise their state of maturity a little.... Therefore, he recalls them prematurely.... For the time of redemption granted to the spiritual beings embodied as human beings is irrevocably coming to an end.... and the significance of this can only rarely be grasped by a person.

For a separation of the spirits will also take place in the spiritual kingdom, even in the kingdom of the beyond untold souls still linger in profound darkness since all attempts to redeem them have been in vain and thus they must share the fate of those who will be banished into matter again. This is why eager redemption work also takes place in the kingdom of the beyond, the Gospel is preached to the souls in darkness as well, that is, they are offered the opportunity to listen to it but they are not forced to do so.... Everything will be done in order to save what can still be saved, because God would like to help every soul to receive a little light during this period of Salvation, because His infinite love would like to spare every soul the appalling fate which is granted to those who are still completely in the adversary's hands and from whom they shall be snatched.... But anyone who knows their destiny will find a certain comfort in the fact that God recalls people prematurely, for he knows that it is an act of mercy for those souls so that they will be able to escape this appalling fate. For helpful beings of light are exceedingly willing to work on every soul in the beyond, and everything conceivably possible will be done in order to guide them upwards a few steps. Then they will have escaped the danger of descending into the abyss again and they will be spared a repeated progress across the earth. However, with the end of the earth even this opportunity of being accepted into the spiritual kingdom and to continue maturing will be over, for at the end only satanically-inclined people will exist next to the small flock of those who remain faithful to God and whom He will fetch Himself on the Day of Judgment. And therefore, everyone should be grateful if he does not have to experience the end, for a ray of hope shines for him in the fact that he has found mercy and will not have to go astray.... Amen

For the end of an old era also means the complete separation of the spirits, it means a reintegration of all spirits into external covers or creations which correspond to their degree of maturity.

And for the purpose of a renewed banishment hell **will also spew out everything during the last days...**

Satan's and the demons' activity during the last days....

All demons will be unleashed during the last days of the end; hell will spat out its most evil spirits and the prince of darkness will transfer his thoughts onto them to act destructively amongst people on earth. And you humans will be living in the midst of his domain and will be in constant danger of being devoured by hell and its forces.... But they cannot compel you.... as yet it is still up to you to let them be victorious or to defend yourselves against their onslaughts and you will truly not be at their mercy because the good spiritual world will also stand by your side, it will merely wait for your call in order to be able to help you. All hell will have broken loose and God's adversary will know that he won't have much time left and will really make every possible use of this final time of his. And many hellish forces will take possession of people if they don't resist them, if they themselves delight in the conduct by the evil world. The demons will try to take control of their own kind, they will take possession of their body and then commit truly evil things, and that alone is a sure sign of the end.... For only too often they will have an easy game, people will follow their suggestions only too willingly and scrupulously accomplish what the former demand of them. The prince of darkness will have truly gained great power over people, and therefore his activity will become ever more obvious, after all, he believes himself able to win the final battle against God. Consequently he will not leave any stone unturned in order to incite people against God, he will not even shy away from assailing those who want to work for God, he will use his accomplices to cause them grief with the intention to destroy their faith in God and he will try to extinguish any light coming forth from God.... His arrogance will know no bounds and thus he will exalt himself above God to an extent that it will result in a speedy end to his activity.

However, people will be drawn into this battle and should prove themselves therein. For they will not be without knowledge about God's love and power and will be able to call upon Him for protection and help in every adversity, which then will definitely be granted to them. Thus no human being will need to be afraid of this coming adversity and pressure on part of the dark world, because the path to **God** is open for everyone and no person can be prevented from taking it. The demonic activity is also easily distinguishable by every individual and would be able to make them think. And, thus, these forces will fight in vain wherever people are of good will, because they are on God's side and the world of light will form a wall around them. You humans should indeed be careful and always on your guard but you need not be fearful, for your resolve will banish the danger or defend against it.... And therefore the direction of your will depends entirely on you. Every look you take into the adversary's realm is noticed by his vassals who constantly entice you ever deeper into their domain. This is why great care is required but all those who have the serious will to resist them are also guaranteed to receive strength. You can certainly be **tempted** but not be **forced**.... Nevertheless it will be and remain a fight for those of you who want to remain faithful to God, which will last until the end. You will be able to survive it and emerge victorious, for you can expect as much protection and help from God's side as His adversary can gain influence over you, and you decide for yourselves to whom you concede more right. However, the activity of hell and its forces will be recognisable everywhere, and people more than ever will give way and hand themselves over to them. And therefore the time will come when God Himself will put a stop to His adversary's activity and put him and his followers into chains, so that there will be peace again amongst people of good will....Amen

then every possibility to advance further in the kingdom of the beyond will also be over, on account of which considerable redemptive work is still carried out in order to still save souls from below from a repeated banishment into matter. Substantial sifting will take place in the beyond and on earth. And if people on earth would consider how far they have already progressed and how near they are to attaining their perfection they would truly muster all their strength in order to still make good use of the time they have left until the end.... Yet no matter what is said to them they take nothing seriously; they don't use the time in order to reach their goal and the last grace of their embodiment as a human being is passing them by ineffectively, for even all other means of grace bestowed upon them during this time are either not accepted or used incorrectly, and an infinitely long process of development is coming to an end without have reached the right outcome for the human soul.... for the once fallen original spirit, which is intended to return to God.... However, people can only be admonished and warned, and that happens to a large extent through the divine Word which God's greater than great love conveys from above to people on earth as an exceptional means of grace.... And all people will be addressed by it and need only open their heart and ears in order to feel the strength of the divine Word and to assuredly ascend. Thus every human being has the option to obtain strength for himself, he only has to be of good will and strive to fulfil the purpose of his earthly life.... He must live the short time until the end of his life consciously, he must want to comply with the will of the One Who had given him his life, he must hand himself over to Him and appeal to Him for strength and grace. Then he will also reach his goal, for this appeal will always be granted to him, and God will bless everyone who turns to Him for strength and grace, and his earthly path will not have been in vain.... Amen

Renewed banishment in solid matter...

B.D. 4807
30.12.1949

Gulf and bridge.... Renewed banishment.... Circuit of flow of love....

The gulf between humanity and Me grows deeper and deeper, for the number of those who believe in Me with conviction continues to fall. The strength of My representatives on Earth gets constantly weaker, they certainly speak in My name yet are not the distributors of the pure truth. Ever more people leave the faith and turn to the one who is My adversary.... they turn to the world which is his kingdom and thereby increase the distance from Me which they should reduce during their earthly life. They move away from Me and broaden the gulf that separates them from Me. Yet this only works up to a point, for once the limit has been exceeded when the strength of My love no longer affects them, the spiritual substance within people hardens again into solid matter.... As long as the earth still exists the defected people will remain within the circuit of My flow of love, yet leaving it signifies the disintegration of the forms which shelter the spiritual substances.... it signifies the death of people as well as of animals, it signifies a dissolution of creation and a restoration of the same.

No being can distance itself from Me with impunity, for it will lose its life if it loses Me. And so, anyone who wants to stay alive and does not want to lose his life ever again must strive towards Me and look for Me, he must endeavour to reach Me and thus lessen the gulf between us. However, without faith in Me as Father and Creator of eternity there is no path across this gulf, for the bridge leading to Me is invisible.... Only faith makes the bridge apparent, for faith causes people to call upon Me. Faith in Me leads to prayer, which is the safest bridge to Me. Untold people go past this bridge and even those who should be their leaders often don't find the bridge themselves because their words are lifeless, because the paths they take are unsuitable to serve as a bridge, paths, which time and again lead back to the beginning; because their words of prayer do not emerge from their heart and therefore do not reach My ear either, thus they do not use the bridge which is the only path that leads across the gulf to Me. Sooner or later, however, even this bridge will not exist anymore, for once My Own have come across it will be too late for the others, because then every path will be cut off and there will be no more escape for those left behind; then they will be devoured by the abyss, the earth will admit them again and everything will become solidified and become matter once more, because it didn't strive to ascend but chose to reach the abyss.... Amen

New banishment inevitable for the adversary's followers....

My eyes rest full of pity on the degenerated human race which is controlled by My adversary and unwilling to pull itself away from him. It has willingly surrendered to him and thereby denies Me the right to intervene effectively, for I will not proceed against My adversary's will, since you want to belong to him yourselves. Yet he keeps drawing you ever further down, he is preparing your downfall, for you will fall back to the depths from which you started your process of development across earth and had to pass through all creations in order to one day finally exist as a human being. And now the same fate will be granted to you, since this is what you want and you are doing nothing to escape from his power. And even though this information is presented to you, you don't want to believe it, and there is almost no other way left to change your thinking unless the tremendous affliction, which will befall the entire earth before the end, can still achieve it. As long as you are able to think there is still the possibility that you will spend some thought on yourselves, that you will consider the death of your body and wonder what will happen afterwards.... Yet by and large you will dismiss such thoughts, you don't believe in anything at all and assume that you will cease to exist when your body dies.

But you are hugely mistaken and will have to pay heavily for this mistake, however, you refuse to accept a truthful explanation and cannot be forcibly influenced either. And faced by a serious crisis you just revolt against the power which inflicts this on you, for as soon as you are in serious trouble you gladly blame someone else for it, even if you yourselves deny a God and Creator.... Yet you cannot stop misfortunes and have no option but to acknowledge a power which is stronger than you are.... Consequently, such strokes of fate and extraordinarily severe adversity are the only means left which could still change your way of thinking, and I have to use them in view of the end and considering the fate, which I would like to avert from you.... Don't feel sorry for people who suddenly have to depart from this life, for they will still be able to find some light in the beyond, if they are not already completely enslaved by My adversary and then also sink into the abyss in order to be banished into matter yet again.... But woe to those who will experience the end without having changed their conduct of life, their thinking and their unbelief.... They cannot be saved anymore, and even the greatest mercy on My part, My infinite love for all My living creations, will be unable to avert the fate of a new banishment for them, because it is the only option for the soul to attain perfection one day when, after an infinitely long time, it lives on earth as a human being again and **consciously** travels the path to Me in order to become liberated from every form.

And this new banishment amounts to a deed of love on My part, because I will seize this soul from My adversary's power and subordinate it to **My** will again. And as a human being it will only be able to release itself from him if it consciously calls upon Jesus Christ to be redeemed.... And since people on earth no longer believe in Him and appeal to Him for help, they cannot be released from the adversary's control either, and he invariably will pull them down into his domain.... Yet you humans have free will and thus are just as able to direct it towards the divine Redeemer as to him.... and you would be saved for eternity.... Since you don't do so you will consequently also have to accept the results of your opposing will towards Me.

But time and again I will impart the relevant information to you, I will speak to every one of you through the voice of conscience, and I will make him realise the fleeting nature of all worldly pleasures and commodities, I will let him personally experience suffering and adversity.... And finally I will speak to him through the elements of nature.... **Yet I will not force his will, and therefore he only has to blame himself for the fate he is approaching.... I would like to bestow him with unlimited happiness.... He himself, however, chooses the state of wretchedness, the state of utter torment and of being constrained. And thus he will receive what he desires, for his inclination toward earthly matter will result in his own banishment into hardest matter again..**

B.D. 6598, 18.7.1956

Beatitude or renewed banishment depends on free will....

Whatever you may desire on earth, your wishes shall be granted.... For you will receive whatever you desire once your life on earth is over. If you desired spiritual possessions, the spiritual kingdom will provide them to you in abundance, if earthly commodities had been your wish then the earth will accommodate you again.... the matter you aspired to will become your cover once more as it had been an incredibly long time ago.... But you will always have created the fate yourselves which is granted to you after your passing away.... If, however, the grace is bestowed upon you to be recalled before the end of this earth, then a short time will still be granted to you during which you can still discard earthly desires, during which spiritual wealth is offered to you once again which you need only seize in order to take possession of it for the sake of your salvation. Yet once again it depends on your free will whether you still make use of these final blessings or let them pass you by unused in order to then be embodied into earthly creations once more because you asked for it. But you can only be blissfully happy in possession of spiritual wealth.... This is My constant admonition and call for caution which applies to all people as long as they still live on earth.... You will all have to bear the consequences of your earthly life, for it is the law of divine order which cannot be revoked by My love and I cannot, for the sake of 'grace', bestow beatitudes upon those who live their lives on earth contrary to My will, contrary to My eternal order.... who are merely the servants of the world and therefore deprive

themselves of the expectation of a blissful spiritual kingdom.... As long as this earth continues to exist My flow of divine grace is still open both on earth as well as in the beyond, and all wrongly thinking and living souls will be offered blessings but they shall all keep their free will....

However, as yet there is still the possibility of a change of will, all those who are misguided.... be it on earth or in the beyond.... still receive kind-hearted advice to consider their actual task; as yet the spiritual world eagerly endeavours to gain access to people's thoughts on earth, just as beings of light approach the souls on the other side, and they all only strive to direct their thoughts correctly, to turn their eyes towards Me and to awaken a desire for light in them, so that they will not walk past the fountain of grace where it opens itself, from which they can draw to benefit their souls. But even this time of grace will come to an end and then the day will come without fail when every soul receives what it desires.... And anyone who never paid attention to spiritual wealth will be left empty-handed and will have to accept a dreadful fate.... Then the period of Salvation will have come to an end, then an infinitely long night will start for the souls whose will was wrongly directed.... But inconceivable bliss will be granted to those who made an effort to reach Me and learned to despise earthly commodities.... The kingdom of the beyond, however, will likewise be only a kingdom of bliss, for all wretched souls will have to go through the excruciatingly painful process of development again, but only in order to one day attain the freedom again which they had misused in this earthly life. Sooner or later all beings will be able to make a free decision again and it will depend on them whether they prolong their time of agony or enter into beatitude again within a short time.... But all will receive help to reach the goal, for I pour out My blessings without limitation, and anyone who makes use of the blessing will be relieved from all adversity and pain.... Amen

For although I have every power at My disposal, I will not forcibly influence the will of a self-aware being or I would be in breach of My law of order, which will never be possible.... Yet I will speak to people until the end, and anyone who pays attention to My Words will be saved from the fate of a new banishment, and he will thank Me eternally that My love pursued him until he changed himself.... Amen

Renewed banishment is the result of spiritual death....

Spiritual death necessitates banishment into matter, that is: a spiritual being having succumbed to death, which remains in a lifeless state, must be engendered into hard matter again in order to slowly return to life. As long as there is still a small spark of life within the spiritual being everything will be attempted in order to guide it further towards life, and this can certainly be successful so that the being will then be spared being banished into matter, and it will nevertheless slowly come alive, if only after an infinitely long time. But there is also a possibility that the being will become completely paralysed, that it will descend ever more into the abyss.... which many souls in the beyond allow to happen.... Then the spiritual substance of this being will be dissolved and once again placed into hard matter.... into the creations on earth. And it will have to travel a tremendously painful path in order to come back to life again. And people on earth can similarly descend in their spiritual state in the last days; they can keep striving towards the abyss of their own free will, they can completely commit themselves to the lord of darkness and, as his followers, descend into utmost darkness themselves.... And then it will also be necessary to dissolve the souls into countless minute particles and to place them into the creations again, they will have to take the path of higher development through untold forms once more until they awaken to life all over again.... And this low spiritual level has occurred; during the last days spiritual death is unmistakable and everything is being done on earth as well as in the beyond in order to stimulate individual sparks of life, in order to strengthen existing life and to prevent it from falling prey to death. For it is a time of infinite torment which the spiritual being will have to endure if it is banished into matter again. And God's love and mercy also applies to what has descended to the lowest point and wants to protect it from this fate. However, where the spiritual being's free will opposes Him God's plan of Salvation has to be carried out, after which a renewed banishment into matter will be unavoidable.

Were people to have precise information about this they would truly do everything in their power in order to escape spiritual death.... But they do not accept the knowledge of it, they don't believe in a continuation of life, they don't believe in a justification before God and neither do they believe in a God and Creator Who will demand accountability from them one day.... Their 'Ego', however, cannot cease to exist anymore and its abode will be appropriate to its state, and although it will no longer be conscious of itself in a state of death it will nevertheless feel the agony of its captivity, since it was originally created as a free spiritual being. Even so, in its lifeless state it cannot be placed where life exists because it had voluntarily chosen a state of death and its will was subsequently complied with. Free will, however, is a state of beatitude and the bound state is a state of torment.... And as a human being the soul chooses its own state. And God's love and wisdom allows it to keep its freedom but helps the human being in every conceivable way to attain eternal life.... just as He will grant His help **again** through a banishment into matter so that what is lifeless can awaken to life again one day. And God's love applies to all once fallen spiritual beings, it also follows them into the abyss and helps them ascend again.... but it is particularly active during the time when the being has regained its self-awareness and free will.... during the time as a human being.... so that it will then change its initially still dead state into a state of life. But the human being's free will remains untouched, it will be respected, and this free will determines whether the being will lose its external form for good or whether the form will become solid again.... so that it will return into hard matter once more. Then the being will have fallen prey to spiritual death and it will take an infinitely long time until it once again receives the grace of embodiment as a human being where it can acquire **life** for itself.... Amen

Spiritual death and renewed banishment....

Spiritual death is the worst fate that can happen to the soul, for it will be unable to release itself from it once it has departed from earth. It exists, it is also conscious of itself and yet is entirely without light and strength, and this is a state of inconceivable agony. It inevitably leads to a renewed banishment into matter again unless people intercede so effectively on its behalf that it provides the soul with strength, so that it can change itself if it has the will to do so, that is, if it doesn't directly resist it. As long as a soul is apathetic in this state, it can receive help from the enlightened spiritual world or through loving intercession.... But it can also be so hardened that it rebels with burning rage against the power which.... so it believes.... keeps it imprisoned. Then it will steadily descend further and harden into solid substance, which subsequently makes its ascent in the kingdom of the beyond impossible. Then it will have to travel the infinitely long path of higher development through the whole of creation again, for one day even this soul shall wake up to the life which lasts forever.... Countless people on this earth are in this danger of succumbing to spiritual death, for during the end time they do nothing in order to acquire this life. They live without love and therefore without God as well, they already harden their souls to matter on earth, for they strive towards it and fail to consider the spiritual life they are supposed to create for the soul while they live on earth. They bow to the one who is master of the earthly world and also strive for his goods.... And these cannot bestow life upon the soul but they certainly assure its spiritual death. And if it enters the beyond in this lifeless state it will be in utmost danger, for heartless people rarely leave friends behind on earth who will send loving thoughts to them in the spiritual kingdom. And only these can save the soul, for every loving thought, every prayer full of love has an effect of strength on such souls, they are so effective that the soul changes and has the will to ascend. Then it will have escaped eternal death, it will no longer descend into the state which results in its renewed banishment. All you humans have no idea about the strength of love or you would make an effort to live a life of love.... And then you will attain life, for love itself is life, and it awakens everything that is dead back to life again.

If, however, you don't use this strength, if you go along without love, your soul's spiritual substance has no option but to solidify and thereby gets into a dreadful state, for then death will not lead to the souls transience, instead it will be a state of vegetating in awareness of its existence and of agonising helplessness and darkness. As long as you still live on earth you are incapable of imagining this state, yet you should do everything in your power in order to avoid it, for everything is possible for you on earth, you repeatedly have the opportunity to accomplish deeds of love on earth, and then the danger of death will be over, then you will have to awaken to life while you are still on earth and thus will also be able to enter eternal life, then you will have conquered death. And you are all able to live a life of love, for the divine spark of love is in all of you, which need only be kindled in order to never be extinguished again, because love always gives you new strength and you will inwardly be motivated to be active once you have kindled this spark of love in you. However, you cannot be forced to do so, but the dreadfulness of spiritual death can only ever be pointed out to you so that you will try to avoid this horror of your own accord.... For as long as you live on earth you have the strength to be lovingly active; but once you have entered the kingdom of the beyond you will be incapable of doing anything by yourselves, then you will be dependent on help and can consider yourselves fortunate if it is provided for you by people whose thoughts follow you with love.... Only love redeems, only love is strength.... and everyone should acquire love for himself through loving activity as long as he lives on earth, so that he will not succumb to spiritual death.... Amen

Renewed captivity....

What will happen to you humans if you don't change cannot be described to you pessimistically enough, for it will exceed your worst imagination.... It is most dreadful for you, because you will have to give up your already attained degree of freedom, because you will be constrained and for infinitely long periods of time find yourselves in captivity again, until one day you will meet the same fate of living as a **human being** on earth once more.... But irrespective of how shockingly your fate is described to you, you don't allow yourselves to be affected by it and yet, you would still be able to avoid this fate if only you would take it to heart and change your ways.... For I only require you to change your nature, I only require you humans to change your attitude towards each other, that you help rather than fight and antagonise each other, that one will make the other happy and offer kindness instead of being mutually nasty and intensify the hatred in yourselves. I only require every individual to make an effort in cultivating unselfish neighbourly love, then his whole nature will change and then the person will make contact with Me Myself, and the danger of a new banishment after the end of this earth will no longer exist for him....

And even if you don't want to believe what awaits you, you should nevertheless try to improve yourselves, for a life of love would still only have beneficial effects on earth, because then you will have the energy at your disposal which a heartlessly thinking and behaving person is lacking.... The forthcoming fate can only ever be portrayed to you as a horrible experience to which you will fall prey yourselves.... And you should only ever be encouraged into loving activity if you want to evade this dreadful outcome.... If you find it difficult to believe.... you can nevertheless still live a life of love, and you will soon know for **certain** what you don't want to **believe**, for then your spirit will become enlightened by love and you will clearly recognise the inevitable consequence of a violation against the law of order.... because then you will be able to observe cause and effect in every event and experience.... Yet anyone who remains indifferent to these admonitions and warnings will experience what he could have avoided.... and he himself will be the victim of his life without love. For all his strength will be taken away from him and the utterly weak substance of his soul will harden again, the most solid matter will confine the being again and the release from it will take infinitely long periods of time.... in order to finally arrive at the same level you are at the moment.... An infinite cycle, which will repeat itself until you exclude yourselves through conscious endeavour and a conscious connection to Me.... Only then will the process through matter be over and the path into the spiritual realm assured for you....

You could already achieve this now if only you would put My will into practise: that you release yourselves from all restraints through loving activity, that you believe in Me and seek contact with Me.... and that you establish this contact precisely through this loving activity.... You are able to do this while you still live on earth and the energy of life is at your disposal, but you only have very little time left.... Use it well, believe My Words, believe that an appalling fate awaits you, and consciously avoid this fate by just striving to live correctly and honourably and practising neighbourly love. It is an urgent exhortation which I proclaim to you with a loving heart: **Change yourselves before it is too late....** Remember Me and remember your neighbour with kindness, so that you become free and don't have to fear what is approaching you.... Amen

Agonies of a renewed banishment in solid matter....

No words can describe to you the agonies which a renewed banishment in solid matter entails for the spirits, because this state is inconceivable for the human mind. The spiritual substance perceives itself as a being and yet is unable to use its will although it is aware of it as evidence of its existence as a being. The spiritual substance is held captive and was originally created as something that was able to be freely active, hence its helplessness and weakness and constrained state result in inexpressible agonies which usually make it revolt even more instead of becoming submissive to God's will. Humanity is in possession of free will and is approaching this very painful state.... It would still have enough time to avert this destiny from itself yet it is not open to any presentation by knowing people, and it is completely lacking faith in retribution, in the soul's continuation of life on account of which instructions will not be able to achieve anything and thus the adversity of most people's souls is extremely severe.

As yet the human being is still lord of creation, he is effectively in charge of it and able to avail himself of the creations according to his will.... but one day he himself will be a work of creation again, at first a lifeless, immovable object which can be used but also remain unused throughout an inconceivably long time.... one day he will be very far behind that which he is at the present time and an infinite length of time will pass by until he has evolved into a human being again, into the being which is endowed with free will and the strength to use this will. However, the many stages it will have to pass through, the countless torments it will have to endure in a bound will and the activities it will have to accomplish are not comprehensible to a person and therefore hard to believe for him. And yet he himself is responsible for the fate of his soul after his body dies. As yet he still has the strength to carry out deeds of love which will avert this bitter fate from him, he still has the opportunity to take notice of God's will by listening to the divine Word, and if he complies with this will his nature will change and gain the right to a state of light and freedom after his physical death. As yet he is still able to use his intellect, he can think about himself, his Creator and his purpose of life and, if it is his **will**, he will also be able to believe.... God approaches every person with His grace and gives them a small incentive to move in the right direction, to choose the right path.

If the person is not opposed to it then he will let himself be pushed onto the right path and the true goal will be assured to him. Yet God also pays attention to opposition, that is, He does not force a person against his will.... but the person also bears the responsibility for his soul, he himself prepares its fate which will be extremely painful, and to its inexpressible regret it will have to take the path of a renewed banishment, for God's grace may not be rejected given that this also means a rejection of His love and thus a distancing of the soul instead of coming closer to Him, which is the purpose and goal of earthly life. Only a few people will take the right path during the last days, and thus the adversity is gigantic and urgently requires corrective action. **This is why God's servants on earth should mention the dreadful fate which will await the human soul if it does not change during the last days before the end.** Time and again the end shall be described to them as approaching imminently, for time flies and demands utmost activity in order to still save those souls from the downfall which accept the admonitions and warnings and are willing to do what is good. For the day will come unexpectedly and will throw countless people into ruin, into death, i.e., into the constrained state within matter from which they will only be able to release themselves after an infinitely long time. Be warned, you humans, for it concerns eternity, it concerns you yourselves, your souls, which are in acute danger and yet can still be saved if you are of good will.... Amen

Are dissolved particles capable of suffering?....

Every being will forfeit its self-awareness again if it totally fails as a human being and can no longer escape the fate of a renewed banishment.... And this is the most dreadful thing that can happen, for although having been dissolved into countless minute particles it is no longer able to feel like a whole entity, as you humans assume, it nevertheless experiences inconceivable agonies, because the spiritual being, which was once created as a free entity and already had partially regained its freedom again as a human being.... is now constrained and experiences this constriction as dreadful torment. For My once emanated strength had been self-aware beings, they had been able to live to the highest degree, thus they had not just been dead shells.... yet they became like that when they apostatised from Me.... When the spiritual substances became hard the actual life had escaped from it, that is, My strength, which gives **life** to everything in the first place, no longer permeated these shells.... And the dissolved minute particles will also remain without life as long as they cannot be illuminated by My strength of love.... The fact that these lifeless tiny particles can nevertheless be sensitive is incomprehensible to you humans.... In that case, however, they would never react when My strength of love tries to capture and enclose them so that the fallen spiritual substances can be reshaped into matter.... For even its resistance is a reaction which demonstrates that the spiritual substance feels a certain amount of pain and tries to put up a fight.... And the whole of Creation is in this state of torment, for it is subject to a law of which I Myself Am the Originator.... It is not free and has to subordinate itself to My law of eternity.... which is extremely painful for the spiritual substance which once was created as a free being.... However, would it not feel this agony, it would never ever be possible to change this lifeless state again.... You humans will never be able to understand this, but you should believe it, otherwise you would not need to fear a descent into the abyss and you would be completely indifferent as to what will happen to you after the death of your body. On earth you have your self-awareness again and are free up to a certain degree and yet not entirely happy as long as you have not found unity with Me by completely handing yourselves over to Me....

Nevertheless, as long as you are alive you can still attain the latter.... If, however, you lose your self-awareness again then you will also lose all freedom, your activity will be determined by My will once more leaving you unable to use any will of your own, you will be bound within deepest darkness without knowledge of your existence, because you will be dissolved and only perform those functions which your God and Creator has decided you should do.... And if you, in a mature state of soul, are one day able to view this long period of time in the state of compulsion, then you will also know about the inconceivable agonies your soul had to endure in the countless forms, and you will also understand why My love is constantly admonishing and warning you in order to spare you this appalling fate. For you cannot vanish again into nothingness, and because you are immortal.... albeit dissolved.... then that which remains will never be insensitive either.... You humans should only ever content yourselves with the information I convey to you as truth.... I want to rectify misguided assumptions like the one that the dissolved spiritual substances lack sensory perception, that its state is therefore synonymous with 'non-existence'. Then the process of development would not be a maturing until the state when it receives its self-awareness again as a human being, for all spiritual beings only redeem themselves by way of suffering and being of service, both before their incarnation as a human being as well as during their human existence.... It should not be forgotten that the being had burdened itself with tremendous guilt due to its past apostasy and that it will increase this guilt again if it does not make use of the last time of grace as a human being and descends again into the abyss. And although a complete redemption through the being is not possible, it will nevertheless have to make amends and suffer for as long as it is not released from this guilt through Jesus Christ's act of Salvation.... To accept Jesus' work of grace and compassion is the human being's task in his earthly life, and therefore he could easily ascend.... If he fails and rejects all help from above, if he descends again into the abyss, then it will also be understandable that his path of suffering will start again when the soul is dissolved again and the path through the creations starts all over.... And neither will the suffering come to an end until the immense guilt is, sooner or later, redeemed through Jesus Christ, when the human being's will is ready to take the path to the cross and to appeal to Him for forgiveness of his guilt.... And this great blessing is at the disposal of you humans on earth.... If you don't use it and pay no attention to it then your suffering will not come to an end, for you are very distant from Me, your God and Creator, and that always signifies lack of freedom, light and strength and consequently you will not be happy either.... Amen

Renewed banishment as only ,salvation' for the souls in deepest hell..

Heaven and hell....

I will not let anyone who gives himself to Me as My Own fall ever again. But anyone who remains in opposition to Me is in great danger of losing the strength of My love completely and becoming hardened in his fundamental substance, an extremely agonising condition which I would like to prevent. This truth, which has not been concealed from humanity from the start, resulted in the concept of 'heaven and hell', of a blissful and a wretched condition, which in people's imagination is a limited space, until ultimately the real truth.... the condition.... became less important in their imagination and only the place remained, visualised by fantasy in every conceivable way. This gave way to many misguided thoughts so that the truth is now completely distorted and the human being no longer has any knowledge of what heaven and hell really mean.

Life and death are heaven and hell.... Busy, joyful activity in the most brightly radiating light is life.... Weakness, helplessness and deepest darkness are death.... And every condition can continually increase in both directions until the final aim, blissful union with Me or deepest descent, infinite distance from Me, has been reached.... Inconceivable is the bliss of the former, inconceivable is also the torment and suffering of the condemned, who languish for eternities and have no strength for redemption. It is these souls you should consider....

It is a misguided teaching that there is no salvation from hell, that these souls are eternally condemned by Me.... It is not I Who condemns them but they **themselves** who have chosen damnation, not I Who pushed them into the abyss, but they themselves aimed towards the deepest point. However, My love leaves nothing so far away forever and therefore there is even salvation from hell, since I died on the cross for these beings too and accepted their guilt, because My love is greater than My wrath, than My justice. Even hell will have to let go of its last victims, i.e. even the hardest matter will be disintegrated one day, freeing the spirits within for the purpose of ascending to life.... Because hell, as you humans imagine, does not consist of an eternally blazing source of fire, it is not a place which contains the condemned. Hell is an indescribably agonizing condition, a condition which starts on earth when people do not acknowledge Me, hence they disassociate themselves from Me and remain without the strength of My love. They certainly continue to live their physical life without Me and as yet do not feel the weak condition, which their distance from Me entails, as torment, but as soon as their bodily life is over the agony starts: the consciousness to be completely without strength and yet to exist....

It is still possible at first to let go of the resistance if the soul listens to the advice of knowing beings, but these opportunities are rarely valued and the soul descends ever deeper, the distance to Me gets ever greater and the weakness increases until the final hardening takes place.... the new banishment into most solid matter.... Then an infinitely long developmental period will have passed unsuccessfully for the spiritual substance which was once bound in matter and then set free as a human being in order to voluntarily strive for shedding every physical restraint. That it has failed is his free will because I truly do not withhold direct admonishments and warnings. But hell has a far greater attraction than heaven.... and the human being strives with utmost zeal towards matter again which the soul had long overcome. **And therefore it is also his fate.... matter will once again be the shell for the spiritual substance which had failed its final test of will.**

B.D. 8603, 1.9.1963

The atheist's fate....

It is the adversary's greatest triumph if he totally dissuades a person from having faith in a God Who brought the world into existence and also created himself.... Then he will have achieved what he wanted, to displace God completely from the human being's thoughts. Then he need no longer fear to lose him. Yet a person who completely denies a God is generally also an unkind person in life, therefore the adversary is able to influence him, while a person with just a spark of love left can still gain the realisation that a spiritually tangible Power exists Which determines his destiny and on Which he is dependent. The former, however, is wholeheartedly attached to the world. Nothing else exists for him apart from this earthly world, and he believes that he will cease to exist and return into nothingness again after his physical death, as a result he will take whatever earthly life offers him. And although such a person can possess sharp intellect he will be misguided by God's adversary, he will even arrogate himself to quote substantiations which intend to shatter the belief in a God. He will try to explain that all creations arose from a natural power.... However, he will refuse to accept the fact that this natural power must be an intelligent **Being** in possession of will, and his thinking will continue to be wrong and confused as long as he fails to kindle a small light within himself through kind-hearted actions.... which, however, are completely unknown to him. Thus he will still be totally enchained by the adversary. **And therefore an atheist will almost certainly approach a renewed banishment, for he will completely fail in his last decision on earth.** He will still be as opposed to God as he was when he apostatised from God, he will belong to the adversary and in the end will also have to share his fate.... Such a person cannot

be intellectually enlightened either because he does not want to believe and will therefore also dismiss all spiritual knowledge as imagination and fantasy....

Trying to convey spiritual knowledge to this person would be entirely futile, for God's adversary is his lord and he will never allow him to become enlightened, he will always keep him in profound darkness and let the world's deceptive lights appear the more brightly to him, so that the person will be totally incapable of accepting spiritual knowledge. The adversary will have taken complete possession of him and will no longer let go of him either. But in earthly life it is only important that the once fallen original spirit will now acknowledge God in the stage of a human being.... that his original sin will be taken from him, which can only happen through Jesus Christ, Whom he must acknowledge and Whose act of Salvation he has to profess, then he will also acknowledge God Himself Who, in Jesus, accomplished the act of atonement for his original sin.... But for as long as the human being lives his earthly life entirely without faith he will remain burdened by his guilt and will never ever be able to enter the spiritual kingdom but will have to endure the process of development through the creations of earth in horrendous pain for an infinitely long time again. For even in the kingdom of the beyond it will not be possible to change an atheist's mind and to persuade him to surrender his resistance to God because, like on earth, he remains closed to all instructions, and he cannot be enlightened against his will. However, were only a person on earth who believes himself to be unable to have faith seriously interested in knowing the truth as to whether a spiritually tangible God and Creator exists.... then the efforts would truly not be in vain, for then he would keep thinking about it and also achieve a different result by intellectual means, for enough evidence exists within Creation which could change his mind.... But even such people will time and again receive blessings, time and again they will be given small gestures of support, for God's love also pursues these people and tries to win them over for Himself, time and again He offers His hand to them which they need only take hold of so that they would subsequently be able to release themselves from the adversary's control. Nevertheless, his will shall never be forced, and therefore the person determines his own future fate and will have to take the path across earth in a constrained state again, because this complies with the law of eternal order.... Amen

Hell has opened its gates wide, and countless souls will enter the darkness voluntarily.... Hell will triumph, i.e. its prince will have, as far as numbers are concerned, great success, but I will extort all these souls from him by placing them into the new creation again, and at the same time remove My adversary's every power over these beings by banishing him into the center of earth.... that is, he will be given the hardest cover as a constraint, which he will be unable to leave again until the will of humans gives him power once more, by people desiring material goods and increasingly distancing themselves from Me again. Then he will fight for the souls again and this contest will be permitted so that the souls can prove themselves by choosing between Me and him, because without the right decision no person can achieve blissfulness.... Amen

The concept of 'hell'.... Renewed banishment.... God's infinite love....

Even the most depraved living creation is a child of My love. Therefore it also has My unabated care to return to Me one day, even though it will have to travel a far longer path in order to bring itself into line with Me and My fundamental nature. But I will not let it fall, and whatever can be done on My part will be done by Me in order to help the creature to recognise and change itself. However, the distance is often so vast that the opposing force has greater influence and My illumination of love remains ineffective. For this reason it may also take eternities until it comes a little closer to Me but I will never abandon it.... However, when we talk about hell this relates to an accumulation of such depraved living creations in the beyond, which had already passed through earthly life with negative results and which continued to descend ever further in the beyond because they submitted themselves to My adversary anew.... Therefore, before a renewed banishment of the creations on earth takes place, which always signifies the beginning of a new era of Salvation, these adherents of Satan move within spheres where they can indulge in their most evil passions, where they inflict all kinds of evil deeds on each other and where constant fighting and arguing prevail and where they always try to draw weaker beings into their domain.... hence where they, on instructions of My **adversary**, act such that they will sink ever deeper. These places have no boundaries; hell is, in a manner of speaking, wherever such deeply fallen beings congregate, where they rage against each other.... on account of which one can also speak of on earth of hell and of states of hell when evil-minded people are hostile towards each other and wreak all kinds of havoc. All these beings are nevertheless My living creations on whom I take pity and whom I would like to release from their sin and their bondage to My adversary, for they are still wholly under the influence of the one who rose up against Me and who also incited all of his created beings to revolt against Me so that they, too, apostatised and became wretched.

But they had **also** been **My** children because they emerged from My **strength** which permeated My adversary without limitation and which enabled him to create these beings in the first place. Therefore My love also belongs to these beings no matter how deep they have sunk.... which will now also explain to you humans why a new creation of earth will have to take place. For I Am just as concerned about these unhappy creatures in the deepest abyss as I Am about the people on earth.... I also want to prepare a path again for those which have already languished under My adversary's control for an infinitely long time; I want to wrest them away from him and constrain them once more in solid matter so that their path will go upwards again, so that the immense resistance they still offer Me will slowly wane.... My love for those having descended remains unchanged and will never diminish either, but there is no other way to demonstrate My love than through a renewed banishment into earthly creations, there is no other way to achieve success or their return, therefore it follows that a transformation of earth is necessary, as I always and forever proclaimed to you. Only love determines My every activity and reign throughout the universe, even if you humans are unable to detect love therein.... Sooner or later you will understand My plan of Salvation and give thanks and sing your praises to the One Who also guided you out of darkness and death, Who wants to give happiness to all beings which emerged from Him.... and Who, with invariable love, also considers those which require His love most urgently because His adversary is keeping them enslaved.... Amen

Reason for the destruction and new creation.... Hell – banishment....

I take pity on the lowest fallen spirit, and time and again will provide a rescue anchor enabling its ascent, and every soul holding on to it will be raised up, for it is demonstrating its will to escape the abyss and thus it will also be allowed to experience its eternal Father's mercy. But there is also a degree of resistance to Me in the region of the lowest fallen spirits which no longer allows for a rescue, where the will has not changed in the slightest and where the spiritual essence has become almost solid and there is no other possible help but to banish this spiritual essence into matter again....

This new banishment is also an act of mercy on My part, for without it the soul would never be able to reach the point again where it has to pass its last test of will by which it can attain eternal life. The path of development in the spiritual kingdom has to take place within My divine order, no phase can be left out, and in the stage of self-awareness.... either on earth or in the kingdom of the beyond.... the being's **will** is at all times decisive.... Consequently, if this is utterly abused I have to constrain the soul again and make it take the path through the creations of this earth in the state of compulsion once more, because I don't want it to remain in an extremely agonising and wretched state forever. Ever new arising creations, the continuous growth and decay in nature, is equivalent to the perpetual change of external forms by the progressing spiritual substance which steadily approaches its final form as a human being on this earth.... But the spiritual essence which had descended back into the deepest abyss or which has already been there for an infinitely long time will have to be placed into the hardest matter at the start of its higher development. It cannot be placed into already existing creations which serve already more mature spiritual substances as an abode.... The first phase of the banishment cannot be skipped, instead the path of development has to start in the external form which corresponds to the unbroken opposition to Me.... in hardest matter, because this in turn is required by My law of order.

For this reason new creations have to arise again and again after long periods of time to accept these spiritual substances, just as creations having existed for incredibly long periods of time.... hard matter.... need to be disintegrated one day in order to release the spiritual substance therein to continue its path of development in less compact forms.... The periods of time which pass after such outright destructions and redevelopment of earthly creations occur are very long, and as a rule the length of time cannot be demonstrably established by people either. Furthermore, they lack the knowledge of the spirits' process of development, of the true purpose of matter and of the appallingly agonizing conditions in the spiritual kingdom, even though the word 'hell' is known to all people....

But they don't know what is meant by it in reality, otherwise the total transformation of earth and its creations would be more credible to them. Yet it will always remain unverifiable to people....

B.D. 4777, 10.11.1949

New banishment of the spirits.... Salvation in one era....

The most severe punishment for any spiritual being that has already lived embodied as a human being on earth, is to be placed into hardest matter. Countless creations are proof that untold beings have to start their process of development again. As long as there are spirits in need of development, material creations will also exist to serve as carriers for the spiritual substance and, due to their usefulness and different external forms, depending on their shape and more or less hard substance, will enable it to develop. As long as these creations do not cease to exist the spirit is not yet released either.

It is possible for the spirit to evolve from hardest matter to a human being in the course of one period of Salvation. This opportunity is available.... But it requires the surrender of resistance within a specific length of time, which is just as possible but very often fails due to the spiritual substances' obstinacy which is so God-opposing at first, that an eternity can pass until its resistance is broken or has lessened. And this resistance is demonstrated by creations which, to the human eye, appear to remain unchanged, often throughout an infinitely long time.... creations, which effectively form the earth's crust, which have to be forcefully dissolved through divine will if the spirits are to be provided with an opportunity for higher development. Consequently, one period of Salvation does not suffice for this spiritual substance.

Nevertheless, at the end of this era it can sense the turmoil in the universe and then will surge towards a new transformation of its own accord. The resistance to God will decrease because it senses God's enormous strength and might, and God will take its needs into account and at the end of an era will dissolve all creations. This signifies a turning point for the spiritual substances which had been bound in inactivity within the earth through an eternity. The spiritual substance will now be willing to be of service and will subsequently be placed into an external form which, at first, will only permit minimal activity. Thus the process of development above earth begins and will, with certainty, also lead to the embodiment as a human being, albeit only after a long period of time.

This is an additional explanation about the forthcoming final destruction of earth which is part of the eternal plan of Salvation, and even though many people's lives will fall victim to it, it will nevertheless be a release for the spiritual substance which ardently awaits its new transformation.... Amen

However, a loving and merciful God aims to save His living creations, He will not leave them in darkness forever, and My love and mercy is My fundamental nature which will not ever change. My love and mercy will forever apply to My living creations which have descended into the abyss, and time and again will find ways and means to rescue them from there. Yet before a new banishment happens again, every effort will be made by Me and My spiritual co-workers so that

the souls will take the path of ascent in the spiritual realm in order to spare them the agonising fate of a new banishment. Yet the will of the being makes its own decision, and its fate depends on its will. But My plan of Salvation will be implemented and not be without success.... One day I will reach the goal, and one day the darkness will also have surrendered everything, because My love will never end and no being will be able to resist it forever.... Amen

*Reason for the unusual Revelations... References to the End...
Announcements of the seers and prophets..*

B.D. 7875
17. 4.1961

Renewed banishment is the reason for the unusual revelations....

I Am revealing Myself in an unusual way before the end to you humans by conveying knowledge to you from which you should draw the consequences.... knowledge which so far had been withheld from you because it was of no significance for your salvation of soul, because you still had time to change your character and were also still able to achieve this in the beyond although under far more difficult conditions.... But it was still **possible** for you to be redeemed for as long the time you were granted for releasing yourselves from the form had not yet run out.... This time, however, is drawing to an end and that means either your return to Me or the renewed path through the creations of earth. But the knowledge about the latter has been withheld from you until now, for it would only have induced you to spend your earthly life under a certain amount of duress, which I, however, will not use for the sake of your perfection.... But now it concerns the human being's last free decision, it concerns the soul's salvation or its renewed banishment, because after the end of this earth higher development in the spiritual kingdom will become impossible for a long time to come, since the gates of this kingdom will remain closed until the new earth has **again** entered the state in which immature people will depart once more from this earth, in which case My merciful love will also want to help them attain maturity in the beyond again. Yet before **this** period of Salvation comes to an end I will still make use of all means in order to save you from the awful fate of a renewed banishment.... And therefore I inform you humans of the path you have already travelled before you reached your embodiment as a human being on earth. And My revelations are so unusual because most people are lacking this knowledge. But since the fate of a renewed banishment is only now becoming the imminent disaster.... since until now the opportunity still existed to mature in the kingdom of the beyond if it was neglected on earth, it was not necessary for people to know about the prior long process of development before.... although occasionally I was able to address people directly and so introduced them to this knowledge....

However, now the time has come when people are in utmost danger but when it is still possible for them to avoid this danger if they have the serious will to endeavour towards a change.... And the knowledge about the process of development, of a repeated banishment in matter is intended to motivate them into this change of will.... This is why I reveal Myself in an **unusual** way, this is why I convey a knowledge to earth which can have tremendously beneficial results for people by just paying attention to it, by allowing My Words to take effect on them, think about them and then also live their life accordingly. But there are only a few who believe what is conveyed to them by extraordinary means.... And I cannot compel faith.... Therefore I cannot reveal Myself by any other means but through a human mouth either, for an enforced faith is worthless and will not result in the soul's progress. But the fact that I Myself reveal My plan of Salvation to you is a significant light which you humans are still being granted.... If you want to live in this light you will definitely take the right path.... For although I speak through a human mouth it is nevertheless the evidence of My love.... if I send My Word directly to earth, it is the evidence of My presence, in other words: you can call it an extraordinary gift of grace if you are taught about things which are inaccessible to a person's intellectual knowledge.... which therefore **cannot** be explained to you by other people if I Myself do not work extraordinarily in this person too.... **Therefore pay attention to My unusual revelations, don't discard them as human work but believe that it is only My love which wants to reveal Itself to you because I would like to save you before the end, because I want to spare you the fate of a renewed banishment which, however, is inevitable, if you do not believe....** Amen

Reference to the end.... Renewed banishment....

It has been amply proclaimed to you humans that you are approaching difficult times, time and again you have been admonished and warned to stop and change your conduct into a God-pleasing way of life.... Time and again it has been pointed out to you that your soul will be in great danger if it suddenly has to give up its earthly life and enter through the gate to eternity.... Imminent Judgment has been announced to you, the spiritual and earthly upheaval of earth.... your attention has been drawn to the renewed banishment on the Day of Judgment. You have been exhorted to eagerly work at improving your soul in order to avert this fate of a new banishment from you.... But you listen to it and yet do not seriously believe that everything that has been predicted might come true.... You have no faith, and without faith you don't have the right sense of responsibility towards your soul, which suffers dire adversity.... For only a few more days remain which, however, would be enough to provide it with a certain degree of maturity if this were seriously aspired to. People lack faith and even the believers harbour slight doubts when the near end is being mentioned to them.... even the believers don't want to accept unreservedly what they are told about the end, although it comes from above. And you must keep your freedom of will, you may not be coerced, and so the days pass by without any achievement for you as long as you do not willingly strive to attain spiritual maturity. Yet then you will no longer doubt that which you were foretold.... As soon as you spiritually strive of your own accord everything you were expected to believe will also become a certainty for you. Then you will also be able to confidently inform your fellow human beings as to what time it is and that the end is near....

Only someone who is convinced of it will also be able to proclaim the near end with conviction and everything else which humanity is approaching. Only a few are certain that the end is near, for they recognise the signs of the time and are able to recognise it because they look at everything from a spiritual point of view and thus also consider that the time of the end has come. You humans should pay attention to the signs which were announced long ago. Then you will also realise the hour in which you live and it should not be difficult for you to believe in an end and in everything that is associated with this end. Whether you like it or not, you don't have much time left.... Only, the believer will still endeavour to draw a spiritual benefit from this information, whereas the unbeliever will not even utilise these last days, which he will bitterly regret one day, if he is not granted a renewed banishment, which is such a dreadful fate that the human being should do everything in his power in order to avoid it. This is why he will be informed of it time and again, the knowledge will be conveyed to him as to what will happen to the souls which fail during their earthly life and which will no longer be admitted into the kingdom of the beyond because the time has come to an end.... This knowledge should motivate them to eagerly work at improving their soul. But only a few people believe in it, and proof may not be given.... For this reason countless souls are at risk of losing their earthly life and, at the same time, having their substances dissolved again for a new process of development through the creations of the new earth. They would still be able to avert this danger from them during the last days but they must voluntarily work at improving themselves, they must.... if they think that they cannot **believe**.... consider the **possibility** that it is true what they are told and subsequently live accordingly, and they would gain a considerable plus for their souls and not get lost when the day of Judgment has come.... Amen

Serious admonition.... The final phase of the earth....

Your well-ordered life will only last a little while longer in order to then be plunged into a chaos which you cannot escape with your own strength. For then the earth will enter its final phase, it will be approaching its end.... This prediction has to be taken very seriously, since it is intended to make you aware that your time, too, is coming to an end, that you don't have a long lifespan left and many will even have to brace themselves to be suddenly recalled before. Every day you are still alive is a gift you should value, for every good deed you do in one day will increase your strength, which you will sorely need to make use of in the coming time. However, anyone who thoughtlessly lives without love and faith will be completely without strength or hand himself over to the one who will certainly provide him with strength but will not protect him from the end, from the last Judgment, from the renewed banishment in solid matter. Don't sell your soul for a price which will truly not make up for the hardship the soul has yet to go through when its earthly life comes to an end.... I cannot admonish you often and seriously enough about this, because I want to prepare a blissful fate for you. Yet you humans don't believe what I repeatedly let seers and prophets proclaim to you.... you don't believe it and I cannot force you to believe. You are truly worldly-minded and incredibly distant from being spiritual, you are completely immersed in matter and this matter will overwhelm you, it will completely imprison you again because you don't want to let go of it as long as you have the strength to hold on.

Try to imagine just for once imprisonment in hardest matter and being unable to free yourselves from it. The thought would give you tremendous strength to avoid this fate, yet you lack belief in it and I cannot **give** you this belief, you will have to acquire it for yourselves through a life of love.... Then the whole context will become clear to you and also the significance of your earthly life as a human being.... And you would be alarmed as to how much you deviate from the task given to you for the time of your existence on earth.... Do good works, force yourselves to do so, learn to do without for the sake of your fellow human being, alleviate suffering and hardship, comfort and refresh those who are sick and weak, lend a merciful hand wherever you see misery.... you won't just do it for others but also for yourselves, for your soul will come alive and every good deed will gain you spiritual enlightenment.... you will attain spiritual vision and recognise My great love where you still see today the merciless reign of a power which only wants to torture you on earth.... Listen to My repeated call of warning and admonition and don't let it bypass your ears unheeded, let go of your desire for material things, only consider the salvation of your soul and don't worry, for I will also take care of you in an earthly sense if only you seriously take care of your soul, which is in utmost danger because the end is near.... Amen

Accountability on the Day of Judgment.... Redeemer Jesus Christ....

Sooner or later all of you will have to give account of yourselves before My judgment seat and remember every hour you wasted and lost for eternity. Sooner or later all of you will have to confess your sins because they become apparent and cannot be kept secret any longer, for nothing remains hidden before My eyes. And thus I demand an account for all your thoughts, words and actions. And you should remember this Day of Judgment if you think that you can sin with impunity, this day, when all of you will have to be answerable about your way of life on earth. It will come without fail and take all of you by surprise because you don't expect it quite so soon. Yet it will come like a thief in the night, without warning and in silence, it will come when no-one expects it. And yet not unannounced, for long before I will have drawn people's attention to it, to the Day of Judgment, the day of the end and the destruction of this earth. The fact that you humans do not want to believe it will not change My plan of eternity, for this day has been predetermined according to My will and human will shall be unable to postpone it but must submit to My will. The reason why I speak to people time and again through servants on earth and in the kingdom of light is due to the fact that a day like that, which concludes an unimaginably long period of development, shall not come unannounced to humankind. The Day of Judgment is the conclusion of an earthly period which was granted to people for their salvation. During this developmental period people received a special privilege.... the divine Redeemer Jesus Christ Himself came to earth in order to help those people who wanted to fail in their process of development.

And thus people were **able** to redeem themselves if only they **wanted** to. If, however, their will fails then it will be their own fault, and as long as people live on earth I warn them time and again about this **fault**. Their fault only consists of the fact that they don't want to accept help but are too weak on their own. What they can do they don't want to do, hence they will also have to take responsibility for what they don't want to do. This is why everyone will be held to account on the last day, for they all had a measure of blessings at their disposal which could have helped them to ascend with ease. **And the indications of the end through seers and prophets are part of theses blessings.** But anyone who does not listen to them, who does not give credence to them, does nothing for his own redemption either. I always admonished and warned people through seers and prophets, and the often enough announced end of the old earth also explains the emergence of prophets in My name, because I won't leave people without warning and they are living in the last days, because the end is so near that all of you would be shocked if you knew the day and the hour. Time and again I draw your attention to it yet no-one shall be forced to believe it, **but woe to those who listened to My Word and refused to believe it.... who recognised it as My Word and yet do not believe in the end and the Judgment and therefore do not prepare themselves for the end. Woe to them.... for the hour will take them by surprise when the last Judgment arrives....** Amen
